MEMORANDUM OF CHANGE #1

Campus Hills Water Works Service Area

This memorandum of change recommends that the Campus Hills Water Works service area be revised as shown on the attached maps. In 1989, a water main was approved and constructed to serve this area of the Campus Hills Farms subdivision. During the comprehensive revision of the Plan in 1992, the area that is being recommended for inclusion by this memorandum was inadvertently left out of the service area for the Campus Hills Water Works. All of the lots have been developed with the exception of the property still shown in the W-3 Category (yellow).
